Book Bank Project:

Dr Prabakar 1987

Book Bank Project lends books to all students at KMC and it was inaugurated last week by our Dean.

Dr. Priya (1990) Assoc. Professor SPM Dept is going to manage the book bank.

Thanks to Dr Prabakar (1987) who generously donated 6.6L for this project.

Digital KMC

Digital KMC Project

We have provided internet connectivity to the college site for all depts and this project is now complete with all the cables laid. This will benefit both the staff and students alike with their academic work, teaching and research activities.

Major donors for this project Batch 1992- 1.65 L Batch 1987-1.36L and Batch 1990-48000, other batches 1989, 93, 96, 97-43000. All these batches collectively funded INR 4.4 Lakhs for this project.

Recently KMC Alumni Association repaired the RO machine in the library. This has helped to provide purified drinking water to all students using the library.

Future Plans

1. **Namma KMC Project**—Physiology lecture hall improvement with the provision of air conditioning and audio visual equipments (1979 batch have already donated INR 2.1 lakhs towards this). After this other batches are welcome to join in improving other lecture halls.
2. To improve toilet facilities for students at the college site as part of the Namma KMC project.
3. KMC alumni room (which has been kindly allocated by the Dean) will be developed further so that it can function with an admin person appointed who can coordinate the alumni activities regularly. There are plans to help alumni particularly from USA with their document verification services.
4. There are plans to support carers of patients who visit their loved ones on the hospital site. More details to follow.
5. To run BLS course (Basic Life Support) for final year students and house surgeons.
